An audio replay will also be available two hours after the end of the conference call through December 13, 2022 and will be accessible by dialing 877-481-4010 (Toll free United States & Canada); 919-882-2331 (International) with the replay pin number of 46419.

About Evolution Petroleum

Evolution Petroleum Corporation is an oil and natural gas company focused on maximizing total returns to its shareholders through the ownership of and investment in oil and natural gas properties onshore in the United States. The Company's long-term goal is to maximize shareholder total return from a diversified portfolio of long-life oil and natural gas assets built through acquisitions and through selective development, production enhancement, and other exploitation efforts on its oil and natural gas properties. Assets include non-operated interests in the Barnett Shale in North Texas, the Jonah Field in Wyoming, the Williston Basin in North Dakota, a CO₂ enhanced oil recovery project in Louisiana's Delhi Field, and a secondary recovery project in Wyoming's Hamilton Dome Field. Additional information, including the Company's annual report on Form 10-K and its quarterly reports on Form 10-Q, is available on its website at <http://www.evolutionpetroleum.com>.
